

October 2, 2020

Good Afternoon RMCA Community,
What a great week we have had. Count day was a huge success. I thank you all for your support in getting all students here to ensure we get the funding that we need from the state. So much so that even though we only made the 98% attendance rate on Thursday, I will still be taking a pie in the face next week. We will Facebook Live this Pieing and stream it to our classrooms for the kids. Make sure you take a minute and view it as well.

This is such an important point in the year for us. We have been battling back the restrictions and hardships that COVID has placed on us, and been doing a great job. We are still enrolling students and welcoming back our remote learners in to the classroom. Please continue to keep a vigilant watch over your students and any possible symptoms of illness, so that we can continue to keep all kids safe. Our facilities crew has been great in keeping up the high level of cleanliness and airflow that we have needed to ensure a safe learning environment. Our teachers have provided amazing instruction and support in both our in person and remote settings. I am so proud to watch their work every day. Please take some time and send a shoutout to our teachers through their email or the shoutout@rmcacs.org address.

As we are continuing to offer the best in-person learning please remember that students should be getting as much time on LEXIA and ST Math as possible at home. Focus on large chunks of time 1 or 2 times a week on these platforms as opposed to small time frames multiple times a week. So far we have given nearly 470 certificates K-5. In the last week 70% of students have logged in and worked on literacy skills. When it comes to Capturing Kids Hearts, we are down by 37% in referrals from this point last year. Middle School grades are on a steep rise. Homework is getting done and kids are learning at break neck pace. Everyone is rocking it!

I thank you again for all the support. Let's keep our momentum going. Have a great weekend.

Principal Mac

Preschool News

We need your help to fill our last few spots in pre-school!

If you have friends, family, or co-workers who are looking for an amazing, educational, loving pre-school that provides our own before and after care, please have them reach out to Melissa at 719-550-5440 for information on the availability of spaces in our half day, part-time full day, and full day programs

Rocky Mountain Classical Academy VIRTUAL SCHOOL FUNDRAISER

---WEEKEND CHALLENGE---

Every student that gets only 2 sales this weekend by Monday Noon will be entered into the WEEKEND CHALLENGE drawing to win 1 of these BONUS PRIZES.

THE ULTIMATE 3D PEN

\$25 AMAZON GIFT CARD

5 LB SOUR PATCH KIDS

**We will select 3 winners from the school on Monday and each winner will get to choose which BONUS PRIZE they'd like to win!!

DON'T FORGET TO HELP ONE ANOTHER!

REGISTER ONLINE @ WWW.FUNDRAISERCART.COM/RMCA/GETTING-STARTED/ and WWW.SHOPFUND.COM.

Then Share Share and Share by ENTERING EMAILS and POSTING TO YOUR SOCIAL MEDIA. YOU CAN ALSO TEXT THE LINK!!!!

You also earn Pupz Collectables and Awesome Prizes as you sell items. See them here:

- Prize Video: [Virtual Kickoff: Prizes](#)
- Collect Pupz: [Virtual Kickoff: Collect Pupz](#)
- Extra Special Video: [Dancing Heroes Prize](#)
-

Ned Mindset Virtual Show Monday, October 12.

Please Help!

Front Office is in need of water and masks for students who forget to bring their items. **These items may be used as Volunteer hours. Send your receipt with our items.**

Important Information Cont'

Uniforms

Uniforms make it easier for students to focus in class and promote a safe student culture not focused on style, brands, and fashion trends. Please make sure your student's shorts and skirts are long enough to meet the uniform policy guidelines. Shorts and skirts should be no shorter than 2" above the knee when sitting. You may use this link for further information on the [RMCA Uniform Policy](#). Picture Day is September 24 and 28. Students may "dress up" on occasions when special events are scheduled, ie: music programs, game days for athletes, picture days, etc. Rules for modesty and dress code still apply on these days. Skirts must be of school appropriate length, no strapless or spaghetti strapped tops, no tight or low-cut clothing, no heels greater than 1", etc. Thank you for helping us by having your child follow this policy!

Masks

We will continue to follow the state recommendations for students and staff members on wearing masks and facial coverings. Students ten and younger may wear masks and facial coverings. Students eleven years and older and staff members must wear masks or a facial covering. We ask that students wear masks and facial coverings without words or images that could be scary for our younger students.

Cell Phones and Smart Watches

Students need to have their cell phones turned off and put in their backpacks before they enter the building in the morning. If students have their cell phones out of their backpacks the phone will be sent to the office. Smart watches may be worn if used as watches. If smart watches are used to take pictures, record, text, or place a phone call they will be taken to the office. Parents will be called and will need to pick the phone or smart watch up from the front office.

Water Bottles

Please send your child with a water bottle each day. The drinking fountains have been turned off and covered for student safety. We have a touchless water bottle filling station available near the gym if students need to refill their water bottle through the day. Parents have donated some water bottles for students who have forgotten to bring one.

Cold Weather

Colorado is known for its crazy weather! Be sure to watch the weather forecast and send warm coats for students on colder days. If it is too cold we will keep students in for inside recess, but want to give kids the opportunity to be outside and get their wiggles out as much as possible. The weather forecasters are predicting snow on Tuesday!

Stop the Spread of COVID-19

WASH YOUR HANDS

PE

In Physical Education students are running for the mileage club. Please be sure to send students to school with non-marking running shoes on their PE day. (You are welcome to send an extra pair of shoes for students to keep in their classroom.) Please also bring a water bottle; the drinking fountains are closed.

Kindergarten and 1st have been stretching and flexing with the ABC's. 2nd thru 5th are rotating between soccer, baseball, football, and basketball.

I am looking for a Parent Coordinator for American Heart Association leading up to February. The volunteer work would be mostly clerical prior to February and during the event it would include tracking instant prizes to hand out. Please email me if you are interested.

I look forward to passing along a love of exercise to your students.

Coach Wil Winter
Elementary Physical Education Teacher
wwinter@rmcacs.org

Greetings from Ms. Parrish in the Art Studio!

I am excited to share the latest exciting events taking place in Art! All lessons are educational as well as engaging and uphold our strong, content rich and impressive Core Knowledge curriculum while supporting Colorado state standards for visual art. **Grade K** is finishing a fun and educational art composition of color, line and shape. While creating with these elements of art, the children learn of the warm and cool colors as well! **1st grade** is about to complete a vivid, joyful and educational artwork, applying the elements of art and the principles of design that they are learning: color, space, line, shape, unity, pattern and rhythm. **2nd grade** is busy with their creative study of "Spatial Awareness." Through this discovery, children learn of shape, line, space & color while creating images of visual perspective depth and distance - the illusion of spatial distancing! **3rd grade** is having a great time with "Spatial Awareness" understanding distance and how to create it through visual art. Along with the elements of art, color, line, shape, space and with some basic geometry through drawing 3 - D shapes, kiddos are having a blast exploring! **4th grade** has completed the Viking ceramic longboats that they began pre-Covid, it has been my goal to get those wonderful incomplete projects completed and returned to all of my kiddos. 4th grade is now moving into the study of the Middle Ages, learning of the incredible, historical and very meaningful forms of art of the time period. Illuminated manuscripts and Limbourg Brothers. An illuminated manuscript is a manuscript in which the text is supplemented by the addition of decoration, such as decorated initials, borders and miniature illustrations. An illuminated manuscript also refers to manuscripts decorated with gold or silver. **5th grade** has been completing the artform of ancient Africa through the beautiful Indonesian wax, paint Batik influenced artform. This project was one that began pre-Covid and is near completion. Next, 5th grade will move onto the fantastically historic and rich study of the Renaissance time period! It is with such joy that I share these opportunities with your child(ren)! ***I am always in need of assistance in the Art Studio! Please consider popping in, I would love to have you!***

Warmly,
Ms. Parrish
RMCA Art Director / K - 5 Art Teacher.
cparrish@rmcacs.org

LATIN

Salvete, omnes! We are really rolling in Latin now, and it is incredible to see how much the kid's progress from week to week.

In **Kindergarten**, we are getting started on learning our "People Words," things like "man," "woman," "boy," and "girl." These are great simple words to practice with your students at home to help build fluency and word recognition.

First and second grade are each starting special Roman cultural units; **first grade** will be learning about the clothing that Ancient Romans would wear and learning the Latin words for them, as well as talking about what function clothing plays in our daily lives.

For **second grade**, they are starting their unit on Roman Mythology/Religion. Religion and mythology was a huge aspect of Roman life, and I am very excited to teach it to the second graders this month.

In **3rd grade**, we are continuing our story of "Marcus and Julia and the Lost Scroll," while also continuing to learn about how verbs function in Latin.

Fourth and fifth grade will both be continuing their story and working on learning irregular verbs in Latin (things like "I am" or "they are.") Ready for another great month of Latin! Sincerely, Mr. Booth jbooth@rmcacs.org

Hello RMCA Families!

Students began taking books home last month! Please make sure their book is kept in a safe place, away from younger siblings and pets. Also, please be mindful of leaky water bottles in backpacks. They can ruin books and other belongings rather quickly! Ziploc bags work great!

If you need to pay a Library fine for a lost or damaged book, please use this link:

<https://www.shoprncacs.org/product-page/library-fees>

Please remember to send students to the Library with their pencil bags, Yellow folders, and Library book every week!

*To limit the spread of illness, students are now required to bring their own supplies, including: 2 sharpened pencils, crayons or colored pencils, scissors, and a glue stick.

Books we are reading in the Library are:

Kindergarten: *The Shoemaker and the Elves*, *Shelf Elf*, and *Library Lion*

1st Grade: An assortment of Aesop's Fables

2nd Grade: Starting *The Marvelous Journey of Edward Tulane*

3rd Grade: Finishing *The Marvelous Journey of Edward Tulane*

4th Grade: Finishing *Peter Pan*

5th Grade: Finishing *The Hatchet*

Please feel free to contact me if you have any questions or concerns.

Kamrine Finney
kfinney@rmcacs.org

Library/Media Specialist

Music

Students are doing a wonderful job participating in the music room in active and creative ways!

Kindergarten students are continuing their work with musical opposites and identifying how music can change from loud to soft, high to low, fast to slow.

1st Graders are being introduced to the instrument families through the characters and sounds of Prokofiev's Peter and the Wolf.

2nd Graders are making connections to American history and symbols by learning about the origins of patriotic songs like the Star-Spangled Banner.

3rd Graders are being introduced to lines and spaces of the staff as we connect what we know about solfege singing to letter names.

4th Grade reviewed the lines and spaces of the staff and will begin a listening unit including the Mozart's Opera, The Magic Flute

5th Grade reviewed their lines and spaces of the staff and will connect these to the historical period of the Renaissance when music notation first became formalized. We will compare music and dance of the Renaissance to other arts during this time period as well.

As always if you have any questions or concerns feel free to reach out to Miss Rafoth at drafoth@rmcacs.org!

Dana Rafoth - RMCA Elementary Music Teacher -

safe² tell Colorado

Make a Report. Make a Difference.

1-877-542-7233

Anonymously report anything that concerns or threatens you, your friends, your family or your community.
We are open 24/7, 365 to take reports.

Parents are key players in creating safer schools and communities. Safe2Tell Colorado provides the only anonymous way for students, parents and community members to report unsafe and risky behaviors before they grow out of control. Each year, Safe2Tell Colorado receives thousands of reports on bullying, cyber-bullying, suicide threats, mental health concerns, child abuse, substance abuse, violence, planned school attacks, and other concerning behaviors. Each concern reported to Safe2Tell Colorado allows for caring, concerned adults to effectively intervene in the life of a child or youth who is struggling. Safe2Tell Colorado wants everyone to know - telling isn't "snitching." Telling is when you need to keep yourself or someone you know safe from threats, harmful behaviors or dangerous situations.

Not sure if you should use Safe2Tell? If you don't, who will? We need your help to improve your school and community. By calling, you can help stop a friend from committing suicide, get another student off drugs, or stop a bully from making other people miserable. If you have information about the following topics, please call.

To make a report, call 1-877-542-7233 from anywhere, 24 hours a day, seven days a week. The call is free. You may also make a report by clicking on the yellow conversation box adjacent to this paragraph that reads Submit a Tip or download the Safe2Tell mobile app on the [Apple App Store](#) or [Google Play](#). Remember, your identity is safe. No one will ask for your name or number. There is no caller id., no call tracing, no call recording and no call forwarding. We only want to hear your concern and try to help.

The anonymity of all Safe2Tell Colorado reports is protected by C.R.S. 07-197. This means the reporting party remains UNKNOWN by Colorado State Law.

Backpack Program

The Backpack program needs your help!

The RMCA Backpack Program exists to help students with nutritional and hygiene needs over the weekend when there is no access to food services at school. With Covid-19 impacting so many families your help is needed more than ever! This program relies on donations of food and money. Right now we are in need of the following non-perishable food and personal items:

fruit cups
cup-o-soups
ready meals
fruit bars
pudding
cereal
peanut butter and jelly
bread
crackers
trail mix
mac n cheese
rice/pasta packs
ramen
toothpaste
floss

Lunch

My Kid's Lunch

All meals are free to students until further notice.

All Meals: Fresh Fruit, Milk and Entrée

At RMCA we are invested in our students' health and are committed to offer healthy food to our students.
