Dear amazing RMCA Parents,

What a month we have had. This has been tough for all of us, but we have been getting through it with the amazing support of our community. I want to thank the community for all the letters of support that I have received over the last couple of weeks. It is great to hear from you all during the school closure. The outpouring of support that I personally had on Friday during Principals day was overwhelming. Thank you all so much for your support.

This next week is Teacher Appreciation week. First let me thank you parents for all you have been doing in this crazy shift we have had to undertake. You deserve a great deal of appreciation and I truly appreciate you.

RMCA leadership would like to thank our teachers for all they have done this year pre and post pandemic. We have asked a great deal from them this year and RMCA teachers have risen to the occasion each time. We are asking you to participate and show them your appreciation as well.

Our teachers have done such an amazing job this year and have created such an inviting and safe culture for our students. It has been a true blessing to watch the work that they have done. PTO has an action-packed week of appreciation ready to go for teachers. Please look to the rest of the newsletter to see how you can participate. Please reach out to your teachers and share your appreciation as well.

Have a great weekend.

Principal Mac

About RMCA

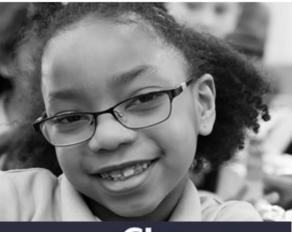

Our Vision

Creating culturally literate citizens who will impact their world for life, liberty, and justice.

Our Mission

Rocky Mountain Classical Academy exists to support parents in developing citizens and characters who are equipped with a strong knowledge base and academic skills. The basis of this development is rooted in an academically rigorous, content-rich, classical educational program with Core Knowledge emphasis.

Process Champions

RMCA Captures Kids Hearts

Genuinely engaging our students is a pillar within the CKH program. There are several things we accomplish by implementing this step: we start the day with a positive greeting, affirm each students, welcome students into our class, and give them our full attention, first thing.

Important Reminders

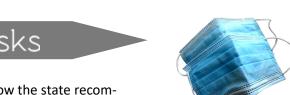

Uniforms

Uniforms make it easier for students to focus in class and promote a safe student culture not focused on style, brands, and fashion trends. Please make sure your student's shorts and skirts are long enough to meet the uniform policy guidelines. Shorts and skirts should be no shorter than 2" above the knee when sitting. You may use this link for further information on the RMCA Uniform Policy. Students may "dress up" on occasions when special events are scheduled, ie: music programs, game days for athletes, picture days, etc. Rules for modesty and dress code still apply on these days. Skirts must be of school appropriate length, no strapless or spaghetti strapped tops, no tight or lowcut clothing, no heels greater than 1", etc. Thank you for helping us by having your child follow this policy!

Cell Phones -

Students need to have their cell phones and turned off and put in their backpacks before they enter the building in the morning. If students have their cell phones out of their backpacks the phone will be sent to the office. Smart watches may be worn if used as watches. If smart watches are used to take pictures, record, text, or place a phone call they will be taken to the office. Parents will be called and will need to pick the phone or smart watch up from the front office.

Water Bottles

Please send your child with a water bottle each day. The drinking fountains have been turned off and covered for student safety. We have a touchless water bottle filling station available near the gym if students need to refill their water bottle through the day. Parents have donated some water bottles for students who have forgotten to bring one.

Colorado is known for its crazy weather!
Be sure to watch the weather forecast
and send warm coats for students on
colder days. If it is too cold we will keep
students in for inside recess, but want to
give kids the opportunity to be outside
and get their wiggles out as much as possible.

Masks

We will continue to follow the state recommendations for students and staff members on wearing masks and facial coverings. Students ten and younger may wear masks and facial coverings. Students eleven years and older and staff members must wear masks or a facial covering. We ask that students wear masks and facial coverings without words or images that could be scary for our younger students.

Important Reminders

Family Night

We will have our Prospective Student/Family Night on Wednesday, May 19th from 5:30-7:00pm. You will be able to meet some of our teachers and administrators, tour the school, and learn more about RMCA at this event.

Attendance

If your child will be absent, the best way to notify the school is to e-mail Nancetta at nwestcott@rmcacs.org. You may also call the school and press #1 to reach the attendance line.

If your child has to be out of school for a COVID-19 related absence, you can contact your child's teacher for daily work. If your child is keeping up with their daily work and you are communicating with the teacher on a daily basis, the absences will not count against your child's total number of absences. This can apply if your child has to be out of school for a COVID-19 exposure or if they test positive for COVID-19 and are able to do school work.

Preschool

RMCA is currently enrolling Fall Preschool and Kindergarten Summer Camp from ages 3 to 6! Please contact Melissa at mcornelius@rmeacs.org or 719-550-5440 for registration information, or check out of website: www.rmcacsearlyeducation.org.

Email Us

If you have any questions or concerns, please email info@rmcacs.org.

Next week, we will be celebrating our annual teacher & staff appreciation week! To show our immense appreciation, the S2S Student Leadership Team would like to celebrate our amazing teachers with a Spirit Week! We hope as many students as possible can contribute to the fun of showering our teachers and staff with the appreciation they deserve!

MON. 3

VIP Day!

Help make your teachers feel special by giving them a highfive, writing them an affirmation, sending a sweet email, or doing a nice gesture in class!

TUES. 4

"Teachers Knock Our Socks Off!"

Wear your craziest socks to show how AMAZING our teachers are!

WED. 5

"Dress for Success!"

Dress up like your favorite teacher OR wear your teachers favorite color.

THURS. 6

Communicate Your Appreciation!

Create a personalized card to give to your teacher.

FRI. 7

BLOOM Day!

B: Bring your teachers favorite flower or a pack of seeds they can plant.

L: Write a letter sharing your favorite memory. O: Create an original

work of art.

0: Bring an office supply you know your teacher will

M: Bring their favorite mixed fruit.

The ideas above are all optional suggestions to participate in the daily themes/activities. If you have other ways you would like to show your appreciation to teachers and staff - please feel free!

We are excited to show our dedicated teachers just how much they are loved and appreciated for all they do for us!

If you have any questions, please reach out to an S2S Student Leader or email the S2S leadership club at S2S@rmcacs.org.

Additional P-EBT Assistance for Qualifying Families

Dear D49 Families,

To support communities working through the ongoing COVID-19 pandemic, a second round of Pandemic-EBT benefits are available this

spring: Pandemic-EBT (P-EBT) is a program that provides a one-time payment to provide extra food benefits for qualifying families. We want to make sure new and existing customers have access to the second round of benefits.

Families currently enrolled in the Free and Reduced program are eligible to receive the second round of

P-EBT funding. If you have an EBT card, P-EBT benefits will be automatically added. If you don't have a card, or need a new one, one will be mailed to qualified families, but to ensure delivery, all families must make sure their address is correct at their student's school. Please contact your school to confirm your information is up to date.

If this support would help your family, and you are not currently in the Free and Reduced program, it's easy to apply!

Apply for Free and Reduced Meal Program

Applying for Free and Reduced school meals is fast, easy, and secure: Even if you think you may not qualify, we encourage you to apply online at: https://www.payschoolscentral.com/ Families can also apply in person at any school, or the Nutrition Services office.

This is the only application you need to complete. Families who qualify will also be automatically eligible to qualify for the P-EBT program.

We also encourage all families to take a look at all of the available <u>Free and Reduced benefits at D49.org</u> Families who qualify for Free and Reduced School Meals may also receive additional benefits such as discounted school fees, discounted internet, phone services, and additional funds for your school. Complete an application today!

Please Note:

- All students, regardless of immigration status may participate in the Free & Reduced Meal program.
- School meals will continue to be free for all students until the end of this school year.
- Children under 6 also qualify for this program

We thank you for your trust, and we look forward to seeing and serving you soon!

Please email questions to Monica Deines-Henderson md-h@d49.org

Sincerely,
Monica Deines-Henderson
Director of Nutrition Services

Our middle school "House of Gareth," led by Mrs. Cirbo, received a nice Thank You note from The PLACE for their generous donation of food. The PLACE operates to "ignite the potential in youth to exit homelessness and find safe housing, supportive relationships, and the opportunity for self-sufficiency and success." Each of our thirteen "Houses," in middle school, is asked to commit to serving our community through projects they select. The House of Gareth ran a food drive and gave all that was donated to The PLACE.

Help Us Keep Our School Open for In-Person Learning: Become a Sub!

With substitute teacher shortages, rising cases in the community and quarantines among our staff, our school is stretched thin. We need your help! Become a sub and keep our school open for in-person learning! Just as you use on-demand apps to rent vacation homes or to set up a ride, we request substitutes using Tagg. Tagg is a Colorado Springs based platform that connects schools with local substitutes offering their services. Think of it like Uber for education. Tagg enables you to start subbing in you child's classroom in just a week as an independent contractor!

Accept Jobs Cover Classes Get Paid

Why Create a Tagg Profile?

- Easy to sign up
- No sub license required
- Choose when to work
- Sub just at our school or sub at many schools
- Make between \$90-\$130 a day
- Help us stay open!

How to Get Setup

- 1 Create your substitute profile at subs.taggeducation.com/register
- 2 A team member will provide details to help you complete a background check (required without a license) and e-sign sub documents
- 3 Start subbing!

COVID-19: Information for Families

Stay Safe, Stay Well, With These Helpful Reminders

- ▶ Wash your hands often or use hand sanitizer if soap and water are not available. Yes, even when you are at home!
- ▶ Avoid being around people that don't live in your house. Many people get sick being around people that they know. Limit contact to 15 minutes or less.
- ▶ Continue with social distancing (6 feet), just like at school.
- ▶ Wear a mask when you leave home, and when you are around people that don't live in your house.
- ▶ Help out with cleaning at home disinfect items that others might touch, such as counter tops, tables, door knobs, light switches, handles and drawer pulls, toys, personal items, and surfaces in the car too.
- Don't share eating utensils, cups or glasses, or drink containers such as water bottles or juice boxes.
- Open windows at home when the weather is good. Fresh air is important.
- Consider getting a flu shot soon contact your medical provider for information.

Monitor Your Whole Family for Symptoms Daily:

- Monitor all family members for fever or other symptoms of illness, while at home or before leaving home. Take everyone's temperature with a reliable thermometer.
- If your student has any symptoms (even one symptom), they should not be going to the school, to small group instruction, or to special services for any reason. Notify the school immediately and keep your child at home.
- Any of the symptoms listed are possibly COVID-19. It is not possible to tell the difference between COVID and any other illness such as a cold, the flu, seasonal allergies or other illness, without a COVID PCR test. Some people have COVID and have only Minor Symptoms. Some people don't have any symptoms and still test positive for COVID. You might not know if someone has COVID or does not have COVID.
- Symptoms of COVID can appear 2 to 14 days after exposure to the virus. A COVID positive person can share the virus 2 days (48 hours) before they have any symptoms.

COVID-19 Symptoms				
CRITICAL SYMPTOM	MAJOR SYMPTOMS	MINOR SYMPTOMS		
Loss of taste or smell	Feeling feverish, having chills, temp of 100.4F or more New or unexplained persistent cough New or unexplained shortness of breath or difficulty breathing	Sore throat Runny nose or congestion Muscle or body aches Headache Fatigue Nausea, vomiting Diarrhea		
EMERGENCY CO	VID-19 WARNING SIGNS incl	ude: trouble breathing.		

EMERGENCY COVID-19 WARNING SIGNS include: trouble breathing, persistent pain or pressure in the chest, new confusion, inability to wake or stay awake, bluish lips or face. Seek medical attention immediately by calling 911.

This list is not all-inclusive for Major, Minor, or Emergency Symptoms. Please consult your medical provider for any other symptoms that are severe or concerning. Your medical provider may want to discuss evaluation, testing or have other directions for you.

If Anyone in the Home has any Symptoms or is Sick:

Stay home! Avoid being around others. If symptoms last longer than 24-48 hours, contact your medical provider. www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/care-for-someone.html

Where to get tested for COVID-19:

- www.ElPasoCountyHealth.org/covid-19-testing-information
- ▶ A PCR test is best. A rapid test for COVID-19 is only treated as accurate if it is a positive result. A rapid test might be negative because it's done too soon or too late to detect COVID. A PCR sample is sent to a lab for results.
- ▶ If there are no symptoms, it may be too soon to tell if COVID is present or not.
- ▶ It may take several days to get results back. While you wait, stay home and monitor symptoms. Avoid others.
- ▶ If anyone in the home has been tested for COVID, or has symptoms, it is best that everyone in the home stays home and waits for the test results. Or, separate the sick person from others as much as possible while waiting.

If Anyone in the Home Tests Positive for COVID-19:

- ▶ Please notify the school, or school nurse.
- Even if we are E-learning, it is very important that we accurately keep track of the number of cases in our community and those cases associated with our district buildings.
- ▶ If someone in the home is positive for COVID, everyone in the home must stay home and isolate or quarantine also. The decision for the exposed household members to isolate for 10 days, or quarantine for 14 days, is dependent on several factors.
- ► Please contact the school nurse for more guidance. The school nurse can provide you with information that you need to care for your family and protect the community.

For further guidance, contact your medical provider, El Paso County Public Health, or your school nurse.

This information provided by District 49 Nursing Services

If you were advised to go into Isolation or Quarantine, would you know what to do? www.cdc.gov/coronavirus/2019-ncov/downloads/COVID-19-Quarantine-vs-Isolation.pdf

- Isolation keeps someone who is infected with the virus away from others, even in their own home.
- How long is Isolation? 10 days to monitor for other symptoms and recover. Isolation is only 10 days, because you may have already had the virus 2-4 days before symptoms appear. Stay home and only go out if medically necessary.
- Quarantine keeps someone who might have been exposed to the virus away from others. It helps prevent spread of disease that can occur before a person knows they are sick or if they are infected with the virus without feeling symptoms.
- People in quarantine should stay home, separate themselves from others, monitor their health, and follow directions from their state or local health department. Stay home and only go out if medically necessary.
- How long is Quarantine? 14 days to monitor for any symptoms. It takes 2-4 days after being around someone sick with COVID for symptoms to appear if you are infected.
- If you have been around someone who has COVID, you will be advised to Quarantine. If symptoms start during Quarantine when you have been around someone with COVID, you will need to start your own 10-day Isolation to monitor for other symptoms and to recover.
- Note: If quarantine begins at noon on Day 1, it ends at noon on the last day.

Make a Report. Make a Difference.

1-877-542-7233

Anonymously report anything that concerns or threatens you, your friends, your family or your community.

We are open 24/7, 365 to take reports.

Parents are key players in creating safer schools and communities. Safe2Tell Colorado provides the only anonymous way for students, parents and community members to report unsafe and risky behaviors before they grow out of control. Each year, Safe2Tell Colorado receives thousands of reports on bullying, cyber-bullying, suicide threats, mental health concerns, child abuse, substance abuse, violence, planned school attacks, and other concerning behaviors. Each concern reported to Safe2Tell Colorado allows for caring, concerned adults to effectively intervene in the life of a child or youth who is struggling.

Safe2Tell Colorado wants everyone to know - telling isn't "snitching." Telling is when you need to keep yourself or someone you know safe from threats, harmful behaviors or dangerous situations. Not sure if you should use Safe2Tell? If you don't, who will?

We need your help to improve your school and community. By calling, you can help stop a friend from committing suicide, get another student off drugs, or stop a bully from making other people miserable. If you have information about the following topics, please call.

To make a report, call 1-877-542-7233 from anywhere, 24 hours a day, seven days a week. The call is free. You may also make a report by clicking on the yellow conversation box adjacent to this paragraph that reads Submit a Tip or download the Safe2Tell mobile app on the Apple App Store or Google Play. Remember, your identity is safe. No one will ask for your name or number. There is no caller id., no call tracing, no call recording and no call forwarding. We only want to hear your concern and try to help.

The anonymity of all Safe2Tell Colorado reports is protected by C.R.S. 07-197. This means the reporting party remains UNKNOWN by Colorado State Law.
